

# Craven Schools Partnership

WE RESOURCE, EQUIP AND SUPPORT CHRISTIAN FAITH

Peter writes,

As we reach the anniversary of our first year, CSP is now established as a regular presence across the area schools. With both weekly and monthly visits along with RE days and support. The work has extended into contact with 25 schools, from Ripon in the east, Bradford in the south, Bentham to the west and everything in between.

Peter is working alongside schools to deliver a programme of activities, ideas sharing and support. His creativity and distinctive approach is offering many schools new opportunities to explore, present and share their RE curriculum. Just recently he spent the day with two Bradford schools at Hill Top and Low Moor along with planned visits to several Skipton schools who are working together and sharing resources.

Can we take this opportunity to THANK YOU for all your help, support and financial contributions. As we continue to share in this vital work Peter is building relationships with many others who also visit schools on a regular basis. Peter brings considerable experience, contacts and ongoing commitment to the schools and we pray that you will be able to support ongoing schools-work in the future.

## New Opportunities

We have just started some collective worship across the area with a link in Primary schools at Kildwick, Lothersdale and East Morton.

This is fantastic news as it now means that during the past year schools are receiving some input along with our regular bookings across the area. Links have also been re-established at Bentham, Embsay and Greatwood schools.

Two planned RE days are booked for the coming weeks.

Summer Programme  
Assemblies and RE Days  
Skipton Girls, Bentham,  
Embsay, Hill Top,  
Ermysteds, Parish, Ripon,  
Grassington & Threshfield

## Resources, Ideas and Inspiration

The Diocese of Leeds Education advisors are recommending Peter's work across the area, he is currently working with staff at East Morton CE Primary school on a week of activities and sharing help with their Ofsted and Siams inspections.

Attendance at the Head-teachers conference in Harrogate over the past few weeks brought some valuable contacts and helped with bookings and sharing ideas.

Post Easter, there are a number of events planned and away days at Cliff College to lead worship and workshops.

In addition to conferences this summer and some training opportunities and idea sharing for school leaders, church leaders and those involved in children and young peoples work. The Chichester Diocese has been receiving some help with ideas and resources.

Several schools are booking RE days for the summer term, Peter offers an 'Images of God' day based on themes around the Trinity, creative workshops on prayer and reflection.

Sign up and encourage your school, group or church to get together to book Peter to come and share his ideas.

Many thanks for your ongoing support, it is much appreciated and goes a long way to offering support to local schools and the ongoing encouragement to children, young people and staff.

Thank You !
